

# British International School Riyadh

(3-18, BSME, CIS, co-educational, English-medium school)

Principal: Chris Mantz M.Ed.

**Do you want to be part of an exciting, innovative and rewarding learning environment with highly motivated students, excellent teachers and supportive parents?**

## SUPPLY TEACHERS

The British International School Riyadh is looking for fully qualified teachers for both the primary and senior sections who would like to be added to our supply list for short term and long term cover. We have two Primary School sites at Al Hamra and Salwa Garden Village compounds and a Senior School site at Al Hamra.

We are seeking lively, dynamic teachers to join our teams of hard working and well-motivated professionals who work cooperatively and imaginatively. We are specifically looking for teachers who will contribute to the further development of our dynamic school and can add to the existing vision and already very high academic standards. Classroom practice needs to be exemplary with experience of target setting for students, and use of student data to track progress.

The successful candidate will:

- be a UK qualified teacher or have qualifications recognised in the UK through the NARIC process;
- very competently fulfil all Teachers' Standards as published by the Department of Education in 2012;
- put students at the heart of the education process;
- fully support the Mission and ethos of the school;
- be able to use ICT as an effective teaching tool;
- believe in the values of international and interculturalism in an educational context;
- have KSA residency.

To apply, please complete the [application form](#) and send it with a CV and letter of application addressed to the Principal to [hr@bistr.com.sa](mailto:hr@bistr.com.sa)

**BISR believes very strongly in the role of the school in safeguarding children and young people. All staff, whatever their role in the school, will require to undergo rigorous background checks before commencing employment.**
