

British International School Riyadh

(3-18, BSME, CIS, co-educational, English-medium school)

Principal: Chris Mantz M.Ed.

Do you want to be part of an exciting, innovative and rewarding learning environment with highly motivated students, excellent teachers and supportive parents?

TEACHER of PHYSICAL EDUCATION with responsibility for the school's swim programme required for August 2018

The British International School, Riyadh caters for students aged 3-18. 50% of students are British but over 50 other nationalities are represented within the student body. The school is accredited by the Council of British International Schools (COBIS) and the Council of International Schools (CIS). The recent British School overseas inspection described the BIS curriculum as "outstanding" and states that "students demonstrate outstanding attitudes, behaviour and personal development. They take a pleasure in their own success and that of others". In a recent confidential survey staff overwhelmingly stated that they enjoy working at the school.

We are seeking to appoint a dynamic, enthusiastic and dedicated teacher who can lead the well-established and successful swim programme. Although having autonomy to manage all aspects of the curricula and extra-curricula swim programme, they will work as part of the committed P.E. department.

The swim programme at BISR is successful with over 100 students in various teams. The person appointed will be required to attend weekend swim meets (about six a year) and undertake overseas trips with the various teams. They will coordinate the work of other coaches, and report to the Director of Sports. It is an exciting position which the right candidate will find rewarding and exciting.

The successful candidate will:

- be a UK qualified teacher or have qualifications recognised in the UK through the NARIC process;
- co-ordinate the swim curriculum;
- lead the schools swim teams and manage other swim coaches;
- hold at least a level 2 swimming coaching/teaching qualification;
- fulfil all Teachers' Standards as published by the Department for Education;
- put students at the heart of the education process;
- fully support the Mission and ethos of the school;
- commit enthusiastically to the school's enrichment program including leading extra-curricular and inter-house activities;
- believe in the values of international and inter-culturalism in an educational context.
